

WE ARE LOOKING FOR

Senior Project Manager / Project Manager

What you'll be doing

As a Senior Project Manager/ Project Manager, you'll be ready to jump straight in and support the growth of our client services team – the engine room of our agency. You will be quick to integrate and develop trusted relationships within our clients and our internal teams, flexing your project management skills to ensure that the right work is delivered at the right times in line with changing priorities.

Bringing the energy and enthusiasm to quickly take full ownership of clients and projects and be the trusted go-to person when they need us. Ensuring we always deliver outstanding work, which surpasses client expectations and leads to effective results. Facilitating, managing and delivering strategically imagined, creatively delivered projects for our portfolio of global clients.

QUALIFICATION:

- Managing brand strategy and creative projects as a Senior Project Manager/ Project Manager within a creative agency or similar; we are also open to project managers from a broader consultancy background
- Ability to manage multiple projects, deliverables and stakeholders
- Capacity to thrive in a fast-paced environment, and able to react quickly to tasks in an agile way
- Experience working with international clients of different cultures, backgrounds and expectations
- Strong relationship-building skills with both internal and external stakeholders
- Demonstrated passion for branding, with a strong understanding of the various disciplines involved – from strategy through to content, design, video and digital
- Excellent communication skills – fluent English is a must, while Thai language skills are highly desirable
- Commercial acumen to identify new opportunities and understanding of client perspectives, challenges and opportunities
- Very active and very good personality
- Fresh graduates are also welcome.
