It is, therefore, for the students to satisfy themselves about the course chosen and about the Universities. Decision on admission is solely that of the respective University/Institute and queries on this thus should not be directed to ICCR. Admission is provisional till the time Universities satisfy themselves of the authenticity of requisite documents from the students. If on arrival, it is found that the student does not possess the required original documents on the basis of which the admission has been finalized, the students will themselves be responsible for the consequences including denial of admission by the Universities and student will have to return to his/her country at own cost. Indian Mission/Post for the respective country will decide on the award of scholarship to applicant and will issue letter of award of scholarship. For award of scholarship, the decision of the concerned Indian Mission/Post is final and any query regarding it should be taken up with them.

11. It is reiterated that the admission remains provisional till the time Universities verify the authenticity of original documents. If original documents are not found in order on which provisional admission has been granted by University, the admission offer will be revoked and the students) will have to return to their country at their own cost. In case Association of Indian Universities (AIU) Equivalence Certificate is required the offer letter for allotment of scholarship should be processed only after the AIU Equivalence Certificate has been obtained by the student. Once the scholarship is considered, Indian Mission/Post will issue an offer of admission with award of scholarship for acceptance of by applicant. As a good practice, the students should also inform their respective Embassy/diplomatic representative in India about their stay in India on arrival.

(viii) Each student has to procure a medical insurance policy for a value of at least Rs. Five lakhs or equivalent. As per the latest ICCR guidelines, medical insurance is compulsory for the students (at their cost). Students may buy medical insurance in their country before departure. An email should also be sent to the International Student Advisor (ISA) of the University endorsing copy to ICCR Zonal/Sub Zonal Office for arranging reception on arrival in India. This should be done at least 15 days prior to departing for India so that transit accommodation details and coordinates of concerned person(s) who will receive them are informed to the student.

16. On arrival, student is advised to buy a local Mobile Sim-Card.

17. On arrival a welcome kit shall be handed over to student. The kit will contain addresses, email, mobile no. of Zonal/Sub Zonal Office, International Student Advisor (ISA), FRRO, city guide booklet, financial norms of Scholarship Scheme in which student is enrolled, bank account opening process and any other relevant information as deemed appropriate by Zonal/ Sub Zonal Office.
